

## THANKSGIVING SERVICE AT THE BAPTIST CHURCH

It has been decided that the churches of Calumet will unite in a big union Thanksgiving service at the Calumet Baptist church. The service will be in charge of Rev. W. M. Ward, pastor of the Laurium M. E. church, and will commence at 10:30 a. m. time.

The usual services will be conducted in the churches of Calumet, tomorrow morning and evening.

Evangelist Hart and Magann will conduct the services at the Calumet M. E. church both morning and evening, and it is expected that interesting results will be obtained. The subject selected for the evening is, "The Unpardonable Sin."

At the Tamarack M. E. church, Rev. J. C. McCune will preach in the morning on "The Great Liberator," and in the evening, on the subject, "Christ is Truth." Next Saturday evening the Tamarack band will give a concert in the church.

The services at the Kearsarge M. E. church will be as usual, in charge of Rev. S. Polkinghorne. The morning subject is, "Quenching the Spirit," and the evening subject, "The Mission of Christ."

Rev. A. E. Healey will preach at the Osceola M. E. church tomorrow evening on "Four Anchors for the Sinner," and in the morning district superintendent, Rev. James Pascoe, will preach.

At the Boston M. E. church, Rev. Healey will preach in the morning on the subject, "The Church—Its Privileges," and in the evening Gus Donald will preach.

"Solving Things Above" is the subject selected by Rev. D. D. Stalker for his morning discourse at the Calumet Presbyterian church. In the evening, the sermon theme is, "Obedience."

Rev. J. A. Ten Broeck will occupy the pulpit at the Christ Episcopal church tomorrow, preaching in the morning on the subject, "The Place of Fear in the Christian Religion," and in the evening, "The Willing Champion."

The services at the Calumet Congregational church will be in charge of Rev. L. K. Long, whose morning subject is "Becoming a Christian," and whose evening sermon will be the third in the series on Dramatic Scenes of the Old Testament, "Gideon's Gallant Band."

District Superintendent Rev. H. P. Matson of Chicago will conduct the morning and evening services at the Norwegian M. E. church of this city.

Evangelistic services will be conducted by Rev. C. D. Harger at the Calumet Baptist church tomorrow. The usual service will be conducted in the evening, and Mrs. Harger will sing a solo. The public is invited to attend these services.

Rev. W. M. Ward will preach at the Laurium M. E. church tomorrow morning on "An Essential to a Revival," and in the evening on "God is Earnest."

Edward Dunn and Charles Skelly are home from a successful hunting trip in the South Range district.

A broken shaft in one of the pump houses at the Wolverine-Mohawk mills at Gay, is being repaired at the C. & H. foundry in Calumet. It is expected that it will be completed today.

## TORCH LAKE NEWS

### LAKE LINDEN CENTENARIAN IS ENJOYING GOOD HEALTH

Believed to be the Oldest Resident of the Upper Peninsula—Birthdays Falls on Christmas—Makes Long Journey From Canadian Northwest to Lake Linden Alone.

Lake Linden may boast of the oldest citizen in the upper peninsula. On Christmas day, Louis Carpenter of that village will celebrate the 101st anniversary of his birth, and it is not believed that any other resident of northern Michigan has a record which exceeds this. Despite the fact that he is just starting on the second century of his eventful life, Mr. Carpenter is still hale and hearty, and expects to live a number of years yet.

He was born in the province of Quebec, Canada, on Christmas day, 1808, of French parents. Neither his father or mother were noted for their old age, however, passing away between the ages of 50 and 60. Mr. Carpenter lived in Canada until the death of his parents, then with other members of the family located in the states. He came to Lake Linden about twenty-two years ago, and lived here for a number of years, later returning to his old home in Canada. He missed his father and mother very much, however, and, early last year returned to Lake Linden and took up a homestead, where he now resides.

Mr. Carpenter is the father of six children and seventeen grandchildren. Mrs. Carpenter is also living, she being 79 years of age.

Until a few years ago, Mr. Carpenter was able to walk without the use of a cane, and his eyesight is still almost perfect. He has seldom been sick, and apparently derives as much enjoyment from life as his friends of a younger generation.

### MRS. LAWRENCE DEAD.

Well Known Lake Linden Young Woman Crosses Great Divide.

Mrs. Amelia Lawrence, wife of William J. Lawrence, passed away at her home this morning at about 6 o'clock. Death was due to heart failure, from which disease, Mrs. Lawrence had suffered six months. For the past two weeks she had been confined to her bed but at times showed signs of a rally and the members of the family hoped for her recovery until the end.

The decedent was born in Idaho, almost twenty-three years ago, and had been a resident of Lake Linden for the past nine years. On Sept. 17, 1906, she

Many school children suffer from constipation, which is often the cause of seeming stupidity at lessons. Chamberlain's Stomach and Liver Tablets are an ideal medicine to give a child, for they are mild and gentle in their effect, and will cure even chronic constipation. Sold by Eagle Drug store, Calumet; Laurium Pharmacy, Laurium.

became the wife of William J. Lawrence, the wedding ceremony being performed here. Mr. Lawrence and a two-year-old daughter survive her. She was an active member of the Lake Linden Methodist church and the funeral will be held from there Monday afternoon at 2 o'clock, standard time. The body will be interred in Maple Hill cemetery.

### LAKE LINDEN MAN DIES.

After suffering since last April from an attack of tuberculosis, Joseph T. Dunn of Lake Linden died at the home of his parents, Mr. and Mrs. John E. Dunn, this morning. Since last Sunday he has been unconscious most of the time, although previous to that day he was apparently improving. Mr. Dunn was 29 years of age, and a painter by trade. He is survived by both mother and father, and several brothers and sisters, who are Frank, Mrs. M. J. Sheehan, and Miss Mamie of Butte, Mont., John of Copper Harbor, Leo of Minnesota, and Charles, Raymond and Cecil of Lake Linden. No funeral services have been arranged pending answers to messages which have been sent to absent relatives. The funeral will probably be held on Monday morning if none of the relatives find it possible to come to this city to attend the funeral.

### TORCH LAKE BREVITIES.

The amateur boxing matches which were scheduled to take place at the Lake Linden theater this evening have been called off. However, there will be interesting matches here next Saturday evening.

The general quarterly meeting of the shareholders of the Lake Linden Cooperative society will be held Monday evening at Hermann Son's hall.

Fred W. Corbett, the temperance lecturer, will preach at the Hubbard Congregational church tomorrow morning.

A large number of local people attended the promenade at Opa's dance hall in Hubbard last evening. The dance was given by Hart's orchestra.

Rev. H. C. Shaw of the local Methodist church will deliver the second of a series of sermons tomorrow morning on "The Career of the Christian."

The managers of the Lake Linden indoor baseball team will meet tomorrow afternoon to draft their schedule of games for the coming indoor season. The meeting will be held in the city hall and will start at two o'clock.

### WELCOME THE SNOW.

Deer hunters of Calumet are generally rejoicing over the arrival of a heavy snow fall last evening. This will greatly improve the deer hunting conditions in this section, and the hunters believe that it will be much easier from now on to follow a deer that has been wounded. It is thought that a large number of deer will be killed tomorrow.

C. E. L. Thomas, Dr. W. J. Clarke and Col. MacBride, of Chicago, left yesterday afternoon for Bete de Gris, where they will spend a couple of days deer hunting.

Croup is most prevalent during the dry cold weather of the early winter months. Parents of young children should be prepared for it. All that is needed is a bottle of Chamberlain's Cough Remedy. Many mothers are never without it in their homes and it has never disappointed them. Sold by Eagle Drug store, Calumet; Laurium Pharmacy, Laurium.

## LAURIUM

### LAURIUM PUBLIC SQUARE IMPROVEMENTS COMPLETE

Small Park Will be at the Disposal of the Public Early Next Year—Its Completion Marks the Realization of the First Efforts in This Direction in Calumet.

Contractor Chas. Mufford yesterday completed the work upon the Laurium public square. This institution, the first of its kind in Calumet, is located on First and Hecla streets, and has been brought about solely through the persistent efforts of those interested in civic improvement in Calumet. Although the season is too far advanced for any real benefits to be derived this year, the park will be at the disposal of the residents as soon as the snow leaves the ground in the spring.

The park covers an area 150 feet long by 36 feet wide. The use of the lot owned by the Yott estate was donated to the Laurium village for a certain number of years, on condition that the village remit the taxes due upon it. The council accepted the proffered use of the ground, and enlisted the aid of civic improvement workers to beautify it. In arranging the park, this committee had two objects in view, primarily to make it a place of beauty, and secondly to provide a public playground. Owing to the limited area, the committee has only been able to accomplish both of these plans upon a small scale, but it is hoped that this beginning may prove the foundation of greater accomplishments.

The lot is divided into two sections, one of which is to be used as a playground, and the other as a beauty spot, both sections having been arranged accordingly. Each is 75 feet long by 36 feet wide.

The part which is to be used as a playground has been made as nearly level as possible, and the ground has been built up with ashes, crushed rock and gravel until it is the same level as the street. The surface has been rolled until it is perfectly hard. It is proposed to equip the playground with swings, turning poles, a smooth slide and other devices which will undoubtedly be popular with the children. The border of the playground is plotted with grass.

The square proper has been beautifully arranged and plotted with grass. It has been separated into four divisions, surrounding a center piece. At each division line is a gravel path, and a similar path surrounds the different sections. The outside border of the square is planted in grass. It is proposed to convert several of the sections arranged into pretty beds of flowers which will give it a very attractive appearance. Several trees have already been planted in the park and it is probable that others will be added.

For the purpose of protecting the newly made grass plots from roving hordes, a fence is being erected around the premises. This is of a temporary nature, however, and will probably be changed in the spring.

While a number of voluntary subscriptions were received from the ladies of Tamarack and Calumet, the realization of the project was made possible by the large number of subscriptions received from Laurium ladies. The committee which has had charge of the subscriptions invited the ladies of Laurium particularly to contribute.

## CALUMET SOCIAL CLUB TO HOLD BIG STEIN SESSION

Committee on Entertainment Has Selected Thursday, Nov. 18, for That Eventful Occasion—Attractive Invitations Have Been Prepared for Big Event.

Announcements will be mailed next week of the eighth annual stein party to be given under the auspices of the Calumet Social club of Laurium, at the club rooms over the State Savings bank, on Thursday evening, November 18. The committee in charge of that event decided yesterday upon the date, and as the time is short the invitations will be mailed at once. The programs are rather novel, and include the following greeting:

"At-th" "Stein-th" "Session,"  
Laurium Club  
Next Thursday Evening 8 o'clock.  
(Mine time.)

On page 8 of the Lor-yam Kor-yam, Confuse-us has inscribed this pristine "ditto": "A jaded horse pricks up his ears at the end of a long journey." It's a long time (nearly a year), since we buffeted on mase the cup that cheers and the pleasures that make us oblivious, so "brick up your ears"—your pilgrimage is almost over, the speedometer indicates that (even running on a low and motley gear) the "Mecca" of goodfellowship can be reached on Thursday next, Nov. 18. Anno Domini, Porcupines, punctures and cut glass are no excuses. Come in on the rim if you have to. If you are jaded— we'll inoculate the virus of faecula into—and unto you. If the microbe is rebellious all attempts to paint a blurred and misty picture of a distant and dancing mirage will be respected and the goblet-bearers will encephalate prostrate forms upon blissful and nocturnal divans. What more can you expect? If there is anything to do that we don't do, you do it. If we do it, why don't do it again, just because you saw us do it.

Visitors who have not made merry at our "Fun functions" are thrice welcome, but should be armed with the most modern life-saving apparatus and wear spurs, where—most useful. All concealed weapons must be checked in the locker-room.

The secretary's office will be closed after mailing this message,—therefore it will be useless to send regrets. We never have 'em.  
(Signed) Committee on Levity, Liliations and Laughing-Water.

tribute, as the improvement is in that village.

### VERDICT FOR PLAINTIFF.

A very interesting civil suit was heard in the court of Judge David Armit of Laurium, yesterday afternoon, the action being brought by Contractor Barney Holmstrom to recover \$296.33 from Herman Ervasti. Holmstrom asserted that that amount was due him on a contract for certain improvements on the Ervasti property. Attorney R. E. O'Brien appeared for the plaintiff, and Ed McCormack for the defendant. After hearing the testimony the court awarded a verdict for the full amount to the plaintiff.

### GOOD PROGRESS MADE.

Good progress is being made on the spur of the H. and T. L. railroad from Hecla location to Osoola, where it is to connect with the Mineral Range road. The extension will undoubtedly be complete in a short time. The track is being laid along the right of way of the old Mineral Range. The road bed is being ballasted with rock and gravel and when complete it will be exceptionally solid. The extension will provide a more direct route for the freight which is received by the C. and H. company over the Mineral Range road, to the warehouses of the company in Calumet.

### DIRECTORS WILL MEET.

To Adopt Constitution of U. P. Italian American Federation.  
A meeting of the board of directors

## Something to Admire

There is something about the beautiful writing papers "Made in Berkshire" by

## Eaton, Crane & Pike

that both attracts and interests the person examining them. The beautiful textures and finishes of the papers themselves and the neat, artistic way in which they are put up are features that appeal strongly to the lover of the beautiful.

The Eaton, Crane & Pike writing papers are the best that America produces, and America produces the best. If you are not using these papers you owe it to yourself and your friends to adopt them.

Perfection Roasters, self-basting and browning, seamless, sanitary, raised bottoms.
